These are the main reasons you need to hire Gary Donohue...

- **Money Calls**
 - I will complete 10 to 20 money calls per week with clients in the prospect stages of business development.
 - I am accustomed to spending most of my time out of the office.
 - I know how to build a marketing bridge with my clients and from this relationship get an unfair share of every buy.
 - Preferred Suppler Theory, Retail expertise, PowerPoint & Excel, Speed to market client service.
 - Xerox PSS, Greenwood Selling Systems, Forum Corporation, Don Beveridge
- **Lead Generation**
 - I will network through local organizations to meet and greet people on a social level to get a referral and/or an appointment to move the contact from lead to prospect.
 - I will actively operate social media.
 - Constant Contact, Blog, Web Site, Linked In, Twitter
 - ***I am NOT cold call averse*** and will fearlessly pursue any lead you toss my way.
- **New Business Development**
 - I have decades of experience working in business and project the trust necessary for a prospect to part with large sums of their money. I can read a P&L.
 - I have “mad skills” turning ***ideas*** into great presentations that clients want to buy.

When would you like to meet?
